***The Legal 500* Recognizes Woodcock Washburn As A Top Firm
for Utility and Design Patent Prosecution**

Philadelphia – Woodcock Washburn LLP is pleased to announce that the firm has been recognized as a top U.S. firm for patent prosecution in the area of utility and design patents.

The Legal 500 had the following to say about Woodcock Washburn:

‘The service and quality of representation on IP matters is excellent’ at Woodcock Washburn LLP, where ‘the lawyers are smart, energetic and business-minded. Their recommendations are supported by logic and well thought out. They are very responsive and always helpful. They get us the results we are looking for and are good value for money.’ Another client sees it as ‘the best intellectual property firm in the country’. With offices in Philadelphia, Seattle and Atlanta, the firm provides its clients with a broad-ranging practice that covers the main technological disciplines. The prosecution practice is also backed up by a very strong litigation practice.

In addition, *The Legal 500* recognized partner Harold Fullmer as a specialist in this area:

Among the partners, Philadelphia-based engineering specialist Harold Fullmer is ‘very knowledgeable about his field of expertise. He is capable of making the technical nature of patent applications understandable to both engineering/designers and senior management’.
